[redacted] phoned and left the following message:

STAT

"From all appearances, the interview
that [redacted] had with Tom Kuhn with AP
went well. Kuhn is a young fellow and apparently
is seeking the interview to get a by-line. No
embarrassing questions came up. Mr. [redacted]
gave him a brochure and a copy of the article
by Admiral Raborn. Mr. [redacted] has to leave
town this afternoon, however, his secretary
will clip the interview when published and will
send Personnel about four copies."
